MODEL AD93 AUTO-DISPENSE TOOL

The **AD93 AUTO-DISPENSE TOOL** provides an efficient means to dispense glues, epoxies, silicones and a variety of other thin and thick liquids and pastes in pre-selectable dosages, from 1 to 5 cc, in 1 cc increments.

The barrels have hot-stamped sidewalls that clearly identify dosage levels, in cc's and ounces.

A variety of luer-lock tips is available.
