

# FPG-910 Pneumatic Cartridge Dispenser

Fisnar's FPG-910 pneumatic applicator comes ready to dispense 32oz cartridges right out of the box. Designed for industrial assembly and sealing applications. Compatible with all 32oz Semco and EFD cartridges.

This tool has a built-in air regulator for precise control, helping to produce consistent and accurate beads and dots while sitting comfortably in the operator's hands. The tough metal retainer and cap combination is built to last.

Item Number	Description
FPG-910	32oz Pistol Grip Dispenser Kit (Metal Retainer)

## Features

- Durable and ergonomic handle assembly made of Nylon with 30% fiberglass and aluminum alloys
- Heavy duty metal screw locking retaining sleeve provides lasting airtight seal
- Equipped with an integrated pressure regulator
- 0-85 psi operation

## Benefits

- FPG-910 compatible with all standard 32oz Semco and EFD cartridges
- FPG-910 supplied with low level monitoring slots so the operator can see when the cartridge is running low on fluid
- Adjustable pressure regulator ensures precise control of fluid flow rate
